July minutes approved.

Randy: Little Red. Fantastic management of expenses by Leads.

Recommended to board that \$50,000 go to Huntsman Cancer, \$2,000 go to BARC and approximately \$29,000 stay with the club. No money will go to towns as the fees charged increased and a deposit was kept for a reason that was out of our control. Discussion on increasing funds going to Huntsman and lowering amount to stay with the club. After discussion and vote, Randy's recommendation stands.

Discussion on Awards Policy that David Goldenberg had previously emailed to all board members. The information for the most part is on the website, but it is scattered around on different pages. Discussed adding a Policies page to the website. David will follow up with Jason to determine how that might look.

Barbara is going to put together a newsletter and will get with David first to include the final draft of the policy in the newsletter.

Discussion on Social rides and what it means to be leading a Social ride. Some rider leaders aren't following the guidelines which are already in place and some ride leaders are leading 10 socials and getting 2 jerseys. Decided

to keep the number of socials and ride leads as is. Board felt it was more important that members and ride leaders are out riding than making it harder to get award jerseys.

Next meeting 9/2/25, 8 pm via Zoom.
