Meeting brought to order by Barbara Kane. Previous month's minutes approved.

Group: Discussion of how Little Red went and who to contact with suggestions for next year. The safety team felt the riders didn't listen to them and felt the sag team should be doing more to help ie. make riders move to single file instead of just driving around them. Discussed the rider who was involved in an accident. The club has reached out to the family but will do no more for the time being. Felt the club booth was a success and brought awareness about the club.

More club jerseys will be ordered as people are meeting the 20 ride requirement and more are needed.

Survey: Board members to get survey questions to Rikki so she can put the survey together by next board meeting to be reviewed before sending out.

Newsletter: Next newsletter will highlight the executive committee of Little Red, who is on it and what is the responsibilities of each.

Membership: 3 new paid members after Little Red. More said they were interested. Currently 275 members.

Next board meeting July 10th @ 8 pm. Meeting adjourned.
