Transition meeting from old board to new. November minutes approved with minor revisions.

Bonneville no longer has an active race team.

Dues to increase Jan 1, 2025, to \$45/yr. Jason to check that auto renewals after Jan 1 have the increase in dues.

Jan. 25th is the Polar Bear ride, ride leader training and chili cook-off. It will be held at the Loan Peak Pavillion. We have the building from 9 till 2. Need to move things along so there is sufficient time for the ride leader training.

Needs to be added to the club calendar.

Yearly Awards Banquet is Feb. 15, 2025 at the Jewish Community Center.
Tickets can now be purchased.

Need a location for the April 11th General Membership Meeting.

Decided to wait to send out next survey until the end of the 2025 bike year.

Next board meeting January 7th, 7 pm via Zoom
