January minutes approved.

Randy: Reviewed budget for 2026 yr. Little Red income is down which will affect the club's donation to Huntsman. Board decided to wait until after next Little Red committee meeting to approve the club budget so Randy can get an update on the Little Red income and revise the club budget as needed before we vote. It was suggested that we need to advertise to the club members that Little Red is a fundraiser for the club to help entice female members to sign up to ride.

David: The next club newsletter will be going out early March. 9 members have signed up for the tire repair class. There is a spot or 2 still open.

Chris: As person over setting up climb rides and coordinating ride leaders for the Climb Series rides, Chris suggested we change the current requirement to climb at least 3 canyons to 4 canyons. He reviewed some of the additional canyons that are being added this year and said every 3rd weekend there would be a climb as well as climbs on weekdays. He will be sending out an email to Ride Leaders which will allow them to sign up to lead these rides.

Next meeting: March 9th via Zoom @ 7:30 pm
