Need a location for the April 11th General Membership Meeting. Coffee Shop previously suggested is not open in the evenings.

Penny to send out an email regarding Polar Bear ride after tonight's meeting.
Jason to be the ride leader for the Polar Bear ride.

Desmond leading the conversation regarding the Code of Conduct. There will be no enforcement, but the Code of Conduct is more of a suggestion of

acceptable behaviors. Discussion on whether to add to pre-ride speech that riders should wait after going through a stop light for those that didn't make it through. This should be up to each ride leader. Should paceline training be added to Code of Conduct or as a separate policy? Not added to the Code of Conduct. Should a link be added to the calendar that goes to the Code of Conduct, should it be included in the Welcome Packet or should the ride leaders have a copy with their sign-up sheet? Ride Leaders should have a copy on them at each ride. Do we need Ride Leader principles? Per Desmond, not needed. The Code of Conduct was approved with minor changes. Desmond will hand out to all that attend the next General Membership meeting.

Discussion on throttle e-bikes. Will be allowed until they become a problem.

Discussion on anonymous donation for a yearly award for mentorship. Funds donated will cover the next 5-10 yrs. Donor would like to pick the first recipient, the person who inspired this award. Barbara needs to clarify with this person if it is \$50 or \$100 for each award.

Next board meeting February 4th, 7:30 pm via Zoom
