Miguel: Gave an update on the race team. 10 members going to St. George for training. The race team has some races set up. They are always looking for more members to join them. They have members and spouses who have volunteered to help with Little Red. May 11th is the Bear River Race. Biker's Edge (bike store) in Kaysville supports the race team and will be holding their 20th anniversary with specials. Miguel would like to see club members attend the anniversary (date TBD) to show support for the store. Would like to have sponsors who support the race team be acknowledged on the club website. Suggested to have the race team added to the website on the left side on the dashboard. Jason to add once he receives the information.

Clarissa: Update on bike attorney. Would like to address the club by Zoom meeting and we could record it or have him address the club at our 4/13 General Meeting. She will see which works best for him.

Desmond: Working on club survey with Members at large and hope to have sent out in the next month or so. Suggestion to have an incentive for members to return the survey, gift card drawing from those that fill it out.

Misc.: Are the discounts on the website current? They are current as of last year. Need to be reviewed for correct information and Precision Bike Fit added to list. Video has been added to website. Discussion to move up the date of the board meetings. Decision made to change to 7:30 pm instead of 8 pm.

Next board meeting: April 1st at 7:30pm via Zoom.
