Little Red – Randy reviewed financial side of Little Red. Each rider nets \$65. Breakeven point is approximately 2000 riders. This is before any money to Huntsman or BCC. This year we have close to 2200 riders. Is all the effort put into Little Red, all by volunteers, worth what little overage we are receiving? The board needs to have a specific meeting to address the future of Little Red, what future costs would look like, does the club think it's worth it, how can we increase ridership, etc. Who is going to take over for Tim Shea? Could Huntsman help promote Little Red? Decided July 12th at noon the board will meet with the Executive Committee, then excuse the EC and board will make final decisions, after additional discussions, at a later date.

Membership Meeting – Need to talk about Little Red w/ the members. Need to let the members know we need a successor for Tim. Still need volunteers for some of the rest stops.

Climbs – Ride Leaders don't want to put on rides at the time there are climbs scheduled and there are so many climbs on the calendar. We need more regular rides on the calendar that aren't series rides.

Next meeting: June 8th @ 8 pm via Zoom
