Call to Order: Barbara Kane, May minutes approved.

Randy: 2935 registered for Little Red, 348 volunteers signed up. Discussion on whether to keep the auto renewal for club membership. A few people have contacted Randy wanting a refund as they didn't know it was auto renewed. After discussing, auto renewal with stay in place.

David: Survey results. Most frequent complaints: Lost or left behind, safety and conduct of others and e-bikes. Jonathan brought up members who ride to the ride then leave part way through and don't actually ride the whole planned

route. Discussion followed. Determined it was more important to have riders out riding and that this practice has been going on by some members for some time. Stressed that the ride leader must ride the complete ride to the finish and make sure all riders returned safely or know ahead of time, from the rider, that they intend to break off from the route which most do let the ride leader know.

Barbara: Discussion on General Membership Meeting coming up 5/20. Reminder to members of the Emergency Contact on the website and the importance of having someone listed. Christina to send out a reminder via email by May 13<sup>th</sup>. Meeting to start with David going over the survey results followed by a new Code of Conduct discussion and e-bike use by members. Randy to review club financials. Bike law attorney is supposed to be attending the General Membership Meeting and speak for 10-15 minutes.

Meeting convened at 8:45 pm.
