Meeting brought to order by Barbara Kane. Previous month's minutes approved.

Barbara: Gave an update on Scott Peterson and how he was doing after his accident. She sent flowers on behalf of the club. Looking for approx. 10 people to stay after Little Red and help clean up Lewiston Fairgrounds. Barbara, Rikki, Jeff, and Stacy have volunteered so far.

Discussion on whether to move the start time of the Springville Metric to an hour after the Super Series riders leave. Unsure what the weather will be like and decided to keep times the same for now.

Penny: Should e-bikes be eligible for KOM/QOM or high milage? Had a discussion about it. Determined there wasn't a way to track e-bike vs. regular bike rides for each member. Decided to see how the standing are towards the end of the year and if an e-bike rider is in the top 3, have a talk with them to see if they felt they deserved the award. Many e-bike riders on the board said they wouldn't feel right about accepting it if it was them.

Rikki: Initiated a conversation regarding a 2nd, slower paced ride leader for Series Metrics due to a couple members requesting it. Discussion followed. Determined it might be difficult to

find a rider who wants to ride a metric but ride it slow with B/C riders. Desmond will send out an email to all ride leaders prior to a Series Metric to see if anyone volunteers in case there are slower riders who want to ride it.

Desmond: still working to get our rides in Cycling West especially our weekend rides. Asked the board whether the BCC logo could be given to members for their personal use as someone wanted it. Decided it was not a good idea and will not allow it.

Decided to move board meeting to Monday nights at 8 pm to allow members time to ride evening rides with the club before the board meetings. Next board meeting June 5th @ 8 pm. Meeting adjourned.
