Website: Banquet needs to be corrected on the club calendar to Saturday, February 7th. Race team information needs to be removed from the website. Little Red needs to be added to the June calendar. Polar Bear ride needs to be added to the calendar. Robin will correct the banquet information and John will add the Polar Bear ride. Jason to remove the race team information.

Polar Bear Ride – needs a ride leader. Ride needs to start at 10:30 am. We will have the chili cookoff and awards after with Ride Leader Training from 12:45 pm – 2 pm. Need to be out of the building by 2:30.

St. Patrick's Ride – need to check with Peter and see if he wants to lead as he has in the past. Do we/he want the ride on the Saturday before St. Patrick's Day or Tuesday, the actual day? Holding it on Tuesday would limit it to riders that aren't employed.

Summer picnic: Changing location to Germania Park, 5243 Murray Parkway Ave., Murray

Commuter Award – Need to discuss and vote at January's meeting if we want to increase the requirement to 20 to be eligible for the award.

Zwift rides – discussed and clarified that Zwift rides are not eligible for a club jersey but those who qualify will be given a small award at the banquet. Starting with 2026 club year, 10 rides are required. No mileage credit is to be given towards total year miles ridden.

Series Ride Leaders – John to send out an email early 2026 before the Spring Fling to start lining up Ride Leaders for the series rides. Chris has offered to take over the Climb Series rides ie. finding ride leaders and creating climb series rides.
