Call to Order: Barbara Kane, August minutes approved.

Items of discussion:

Decreased commuter award requirement to 10 commutes rather than the 20 commutes it was changed to last month. Voted on and approved.

\$50 yearly membership fee reduced to \$45 after further discussion by the majority of the board. Voted on and approved.

Ride-a-palooza: routes and times need to be changed to coincide with the potluck at 2:30 so all riders return at approximately the same time. Desmond

will be out of town so another person is needed to oversee. Jonathan will see if his wife is available, Rikki will look at her calendar and may possibly be able to.

Tim Shea is the signing agent for Little Red. A new company has been chosen to handle the registration process for Little Red.

We have not done anything with the Code of Conduct. Desmond will chair and David will be on his committee to write up a Bonneville Code of Conduct.

Should we send out a follow-up survey? Discussed and decided, no.

Discussion on number of club members required for club rides on the calendar. Out of state rides currently require 5. Not all out of state rides on the calendar have had 5 club members but those that did ride were given mileage credit anyways. Need further discussion regarding what rides should be on the calendar, how many members should be required on rides to give mileage credit, etc. Carry over to next month.

Possible bike maintenance class during the off-season. Possibly at the Bike Collective.

David brought up the idea of changing the way elections are held. His suggestion was to have longer and stagger the terms for board members. More discussion will be needed before any change is made.
