Penny – Over 2 million dollars, including funds from Huntsman Heroes, given to Huntsman Cancer Institute since 2012. 2012 is as far back as Huntsman can provide the information. We have always given money to the towns our Little Red riders ride through and where we have rest stops. Last board meeting we voted not to give the towns money for 2025 Little Red ride. Penny suggested we revisit the discussion and revote on the issue. All it takes is just one of these towns – Weston, Newton and Mendon, to refuse to let us ride through their town and/or set up a rest stop for our riders and Little Red would be in trouble running the routes as we currently do. After further discussion and a revote, it was decided we would donate \$500 to each town – Weston, Newton and Mendon.

An email was received from a club member regarding e-bikes and club rides. This person was not an e-bike rider and found themselves riding alone on club rides because e-bike riders were able to keep up with A and B paced riders on group rides. They suggested it would be nice to know what pace other riders planned on riding to know if there was anyone they might be able to ride with. After a discussion, Jason said he could create a popup where a rider could

indicate their riding pace. We decided this would only be created for Open paced rides to start with. Jason will let the board know when it is ready.

Yearly survey – David will start working on it and hope to have it ready to send out to members by the end of October. It was suggested to ask for the member's zip code, age and gender but no names to keep the survey anonymous but to see the demographics of the club. David will provide a sample of the survey to the board for review.

Barbara – 2026 will be Tim Shea's last year as the Chairman of Little Red. BCC needs someone to shadow Tim this year in order to take over in 2027. A few names were discussed, Barbara will reach out to them, and we will revisit next month. Meetings for Little Red have started so this person needs to be found quickly. Clarissa brought up that leads for Little Red need to have specific Little Red emails and not use their personal emails.

Robin – BCC has always given riders who are awarded jerseys the option of getting a club cut or race cut jersey. Due to the additional cost of the race cut jerseys, Robin suggested we only order club cut jerseys, eliminating the race cut. It was discussed and determined not that many riders requested the race cut jersey so we will only be ordering club cut jerseys from now on. Rikki suggested that with all the new members we have, we should see if there is enough interest in ordering club shorts and bibs again. We would need a minimum of 10 of one kind to place an order.

Elections are October 15-31st. Maria will oversee the elections and obtaining the results.

Summer picnic rides –Metric and Social and possibly a Super (not on the calendar as of 9/28). Start times may need to be changed.

Next board meeting 10/6 @ 7 pm via Zoom.
